

GREAT DESIGN DOESN'T COST MORE

AND WE ARE HERE TO MAKE IT POP.

Just because you're a smaller business doesn't mean you can't have kick ass marketing. Our Starter Pack is designed for smaller-sized businesses looking to make a BIG impact.

Looking a million bucks doesn't have to cost it.

THE MARKET SOUTH STARTER PACK

All businesses, big or small, deserve to have access to the best marketing services.

We've developed a specialised package to help new and smaller businesses establish and develop a professional look, have the right tools and make sure they are grabbing not just attention but, the right market attention.

Whether you're a small or new business, one-man band or anything in between, we're keen to make sure you're looking your best and everyone knows about you.

Tell us about your business and we'll tell everyone else!

WHAT YOU'LL GET:

- Logo development
- Stationery: business cards, letterhead template, email signature
- Print-ready signage files for your business premises or vehicle
- Website
- Rack card
